

Zain and the Power of Kindness

A story about kindness ☺

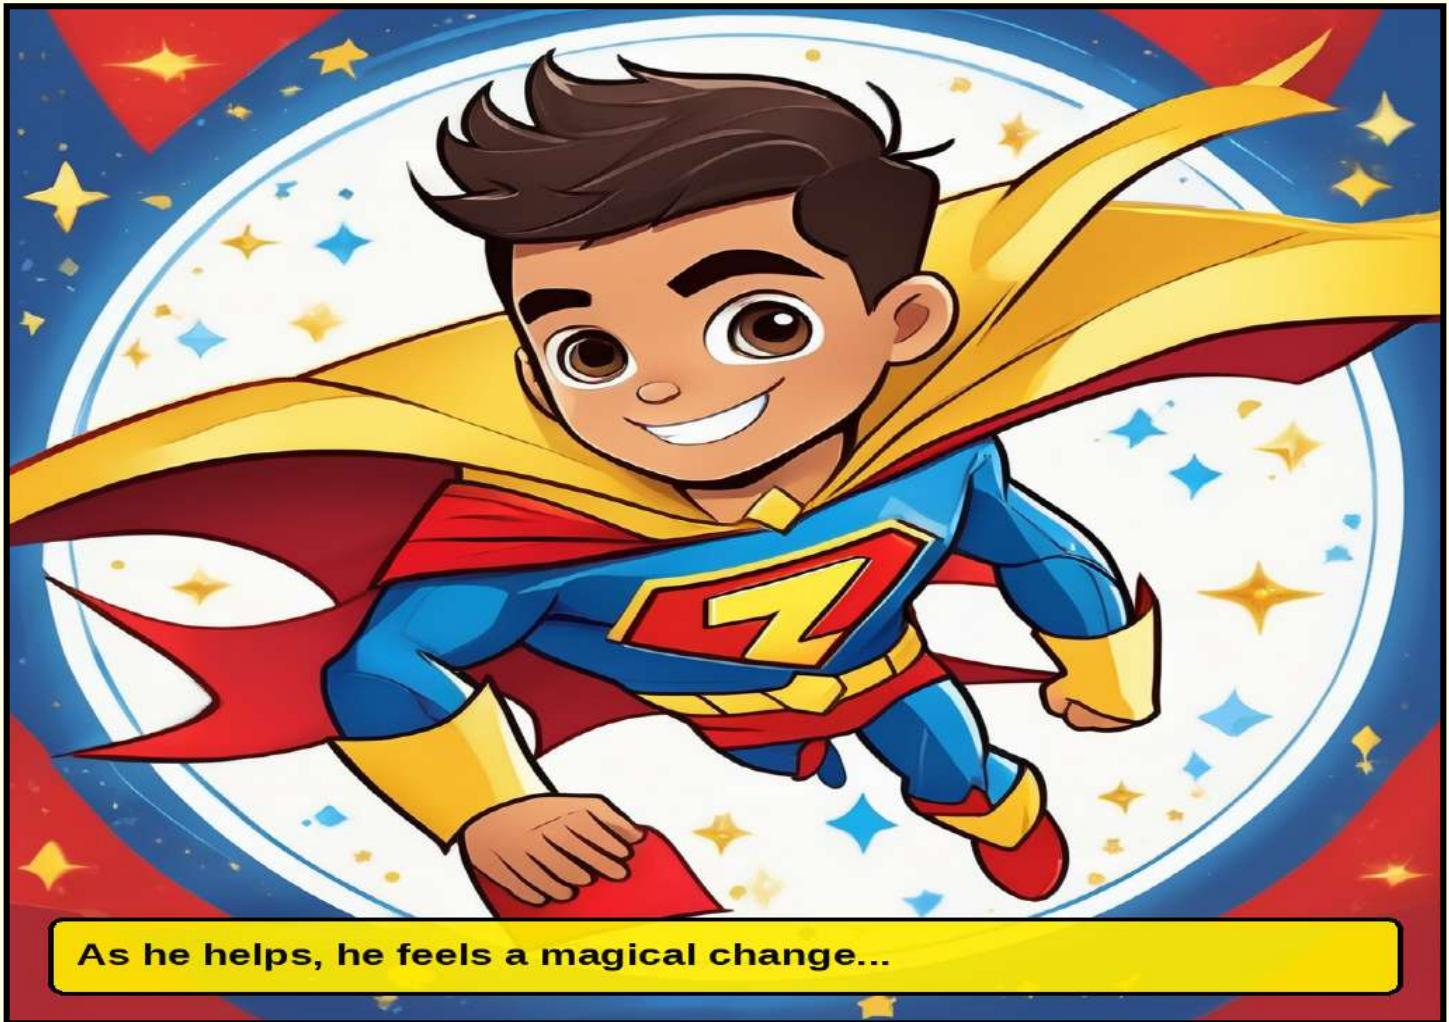

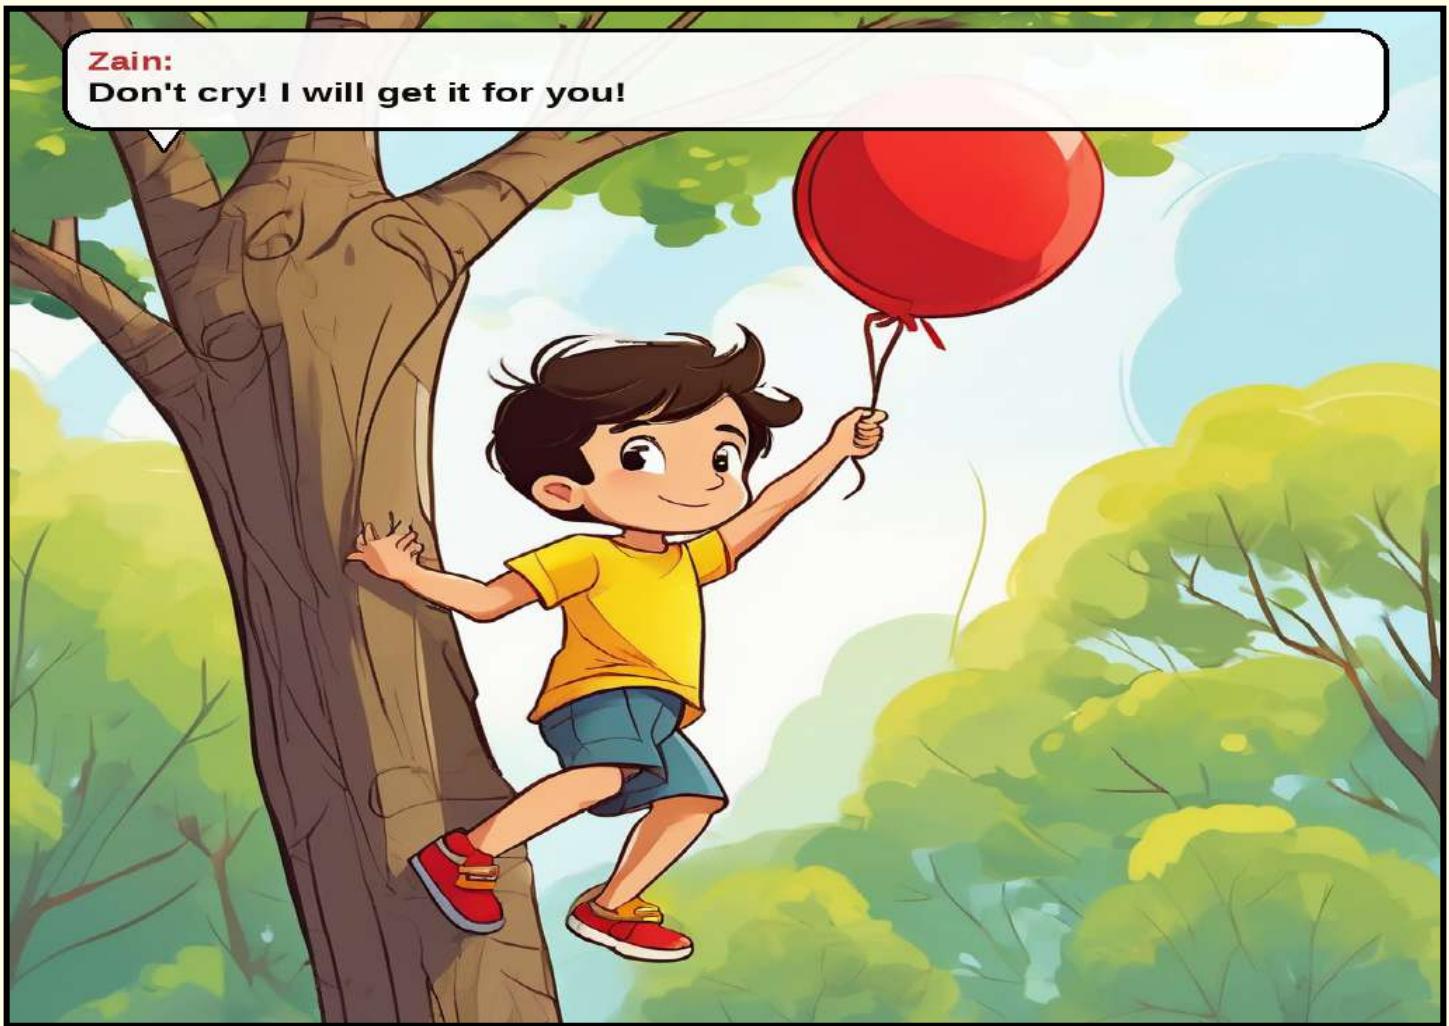

Zain:
I wish I could be a superhero!

Dad:
Being a superhero starts with a kind heart.

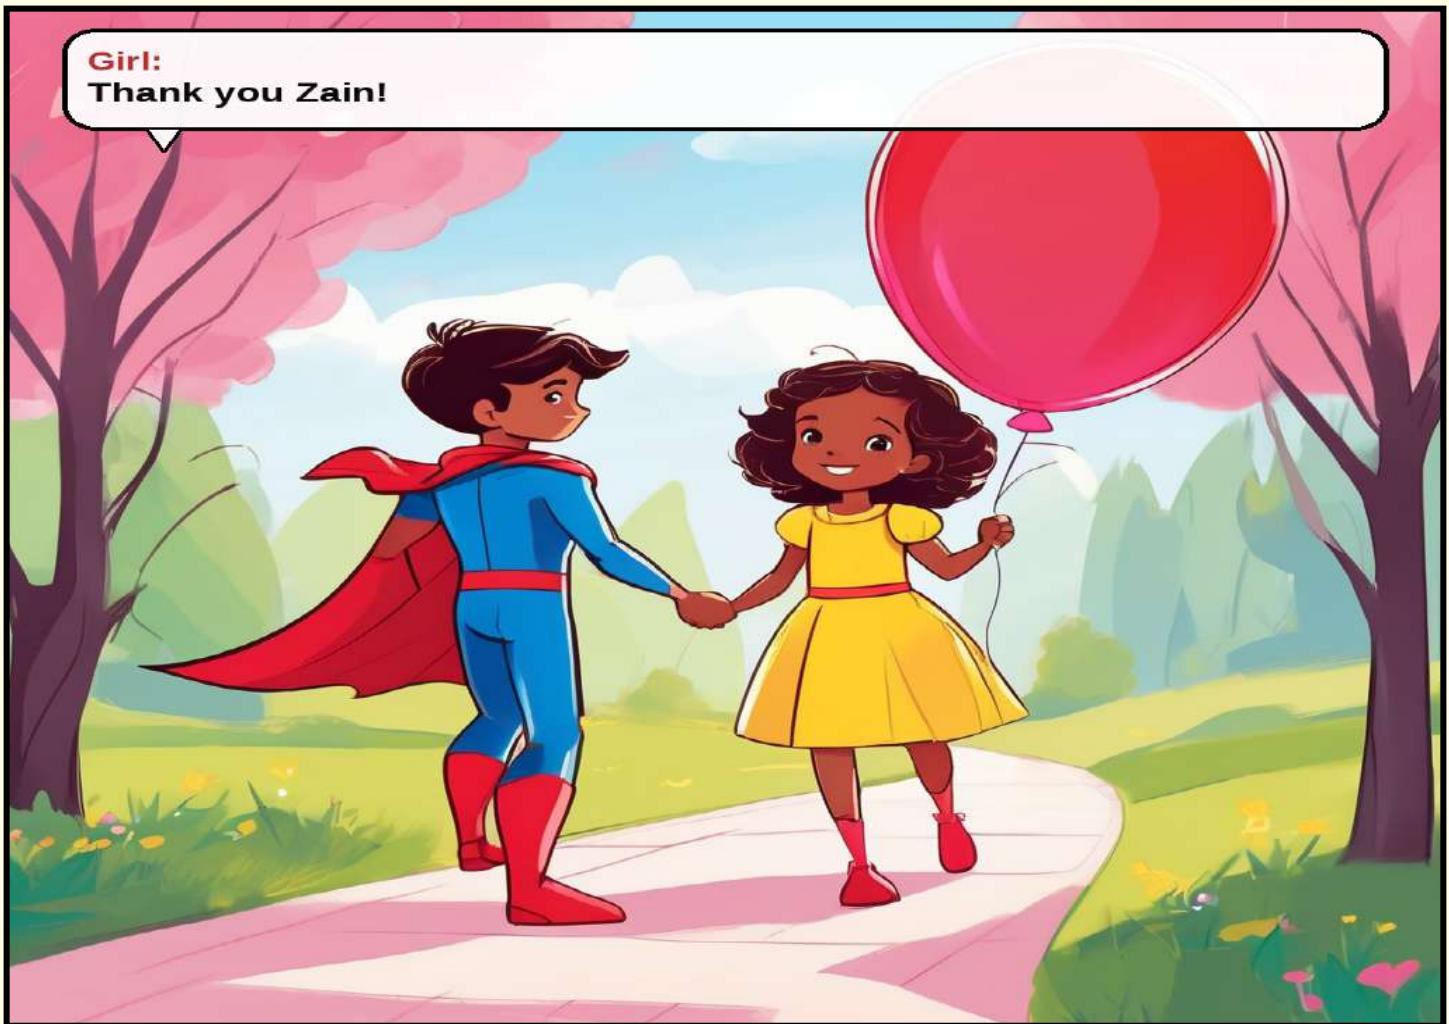

Zain sees a little girl crying. Her balloon is stuck on a tree branch.

Zain:
Don't cry! I will get it for you!

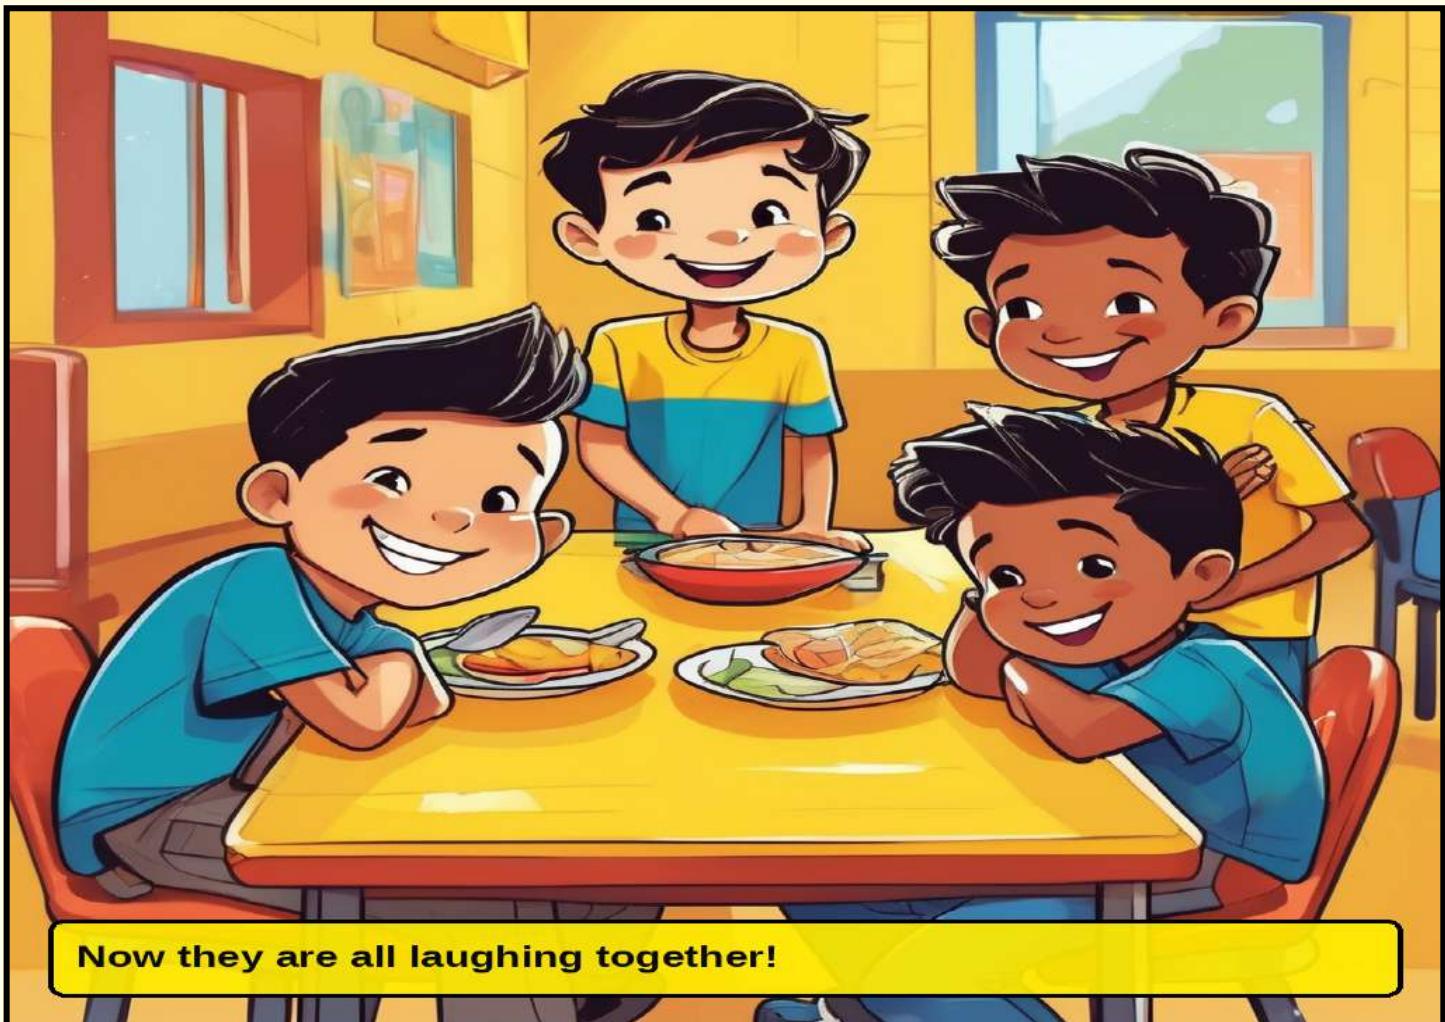

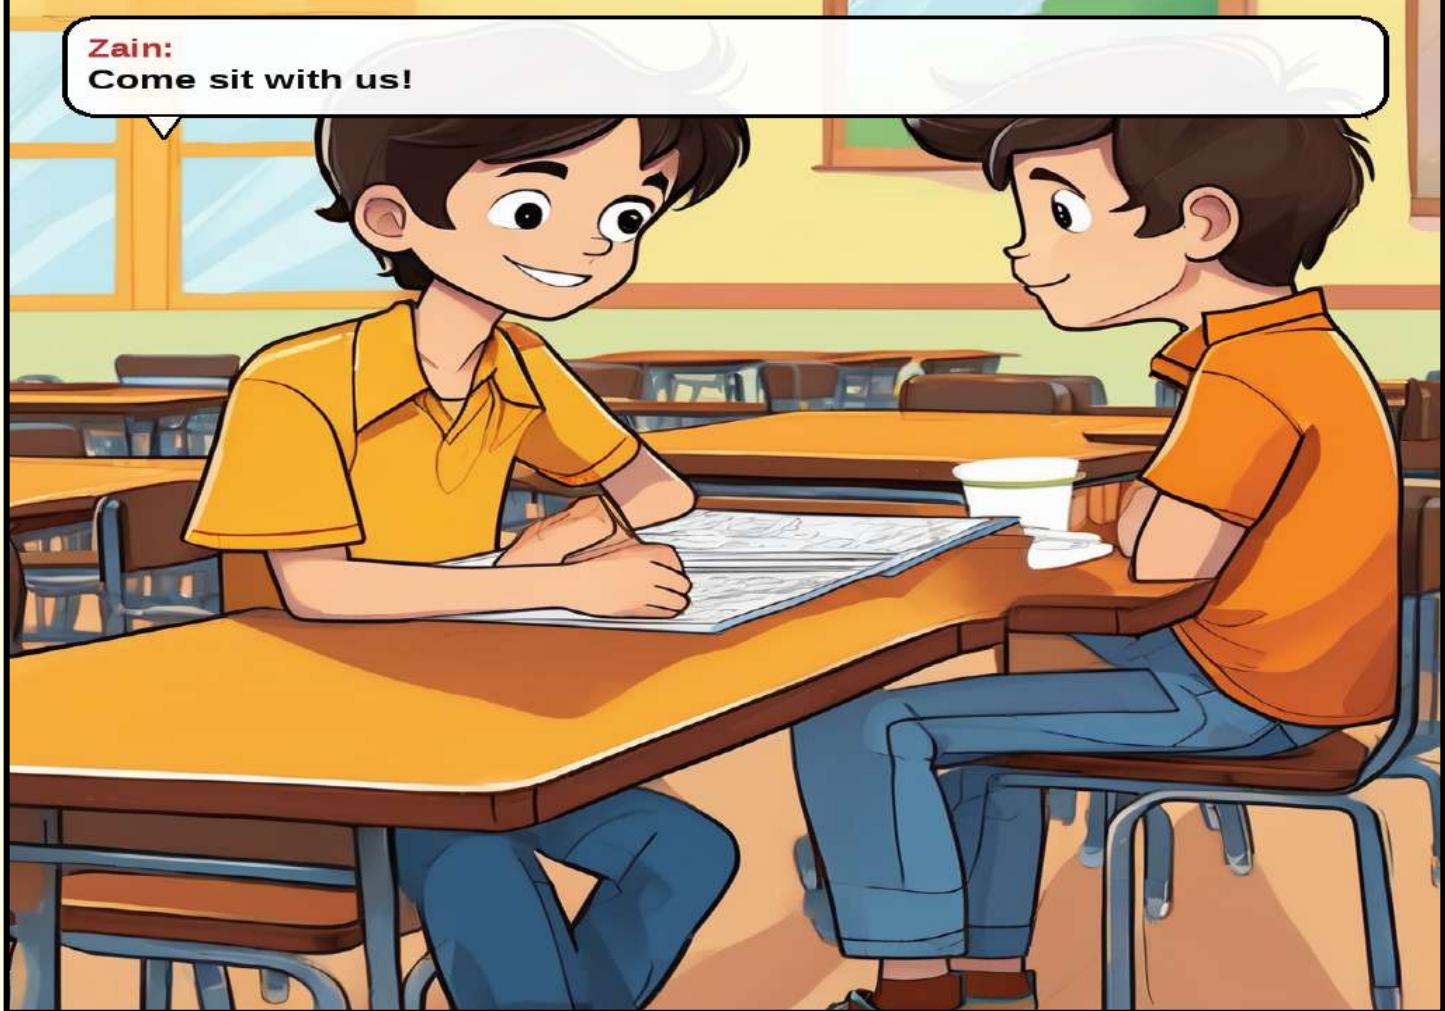

As he helps, he feels a magical change...

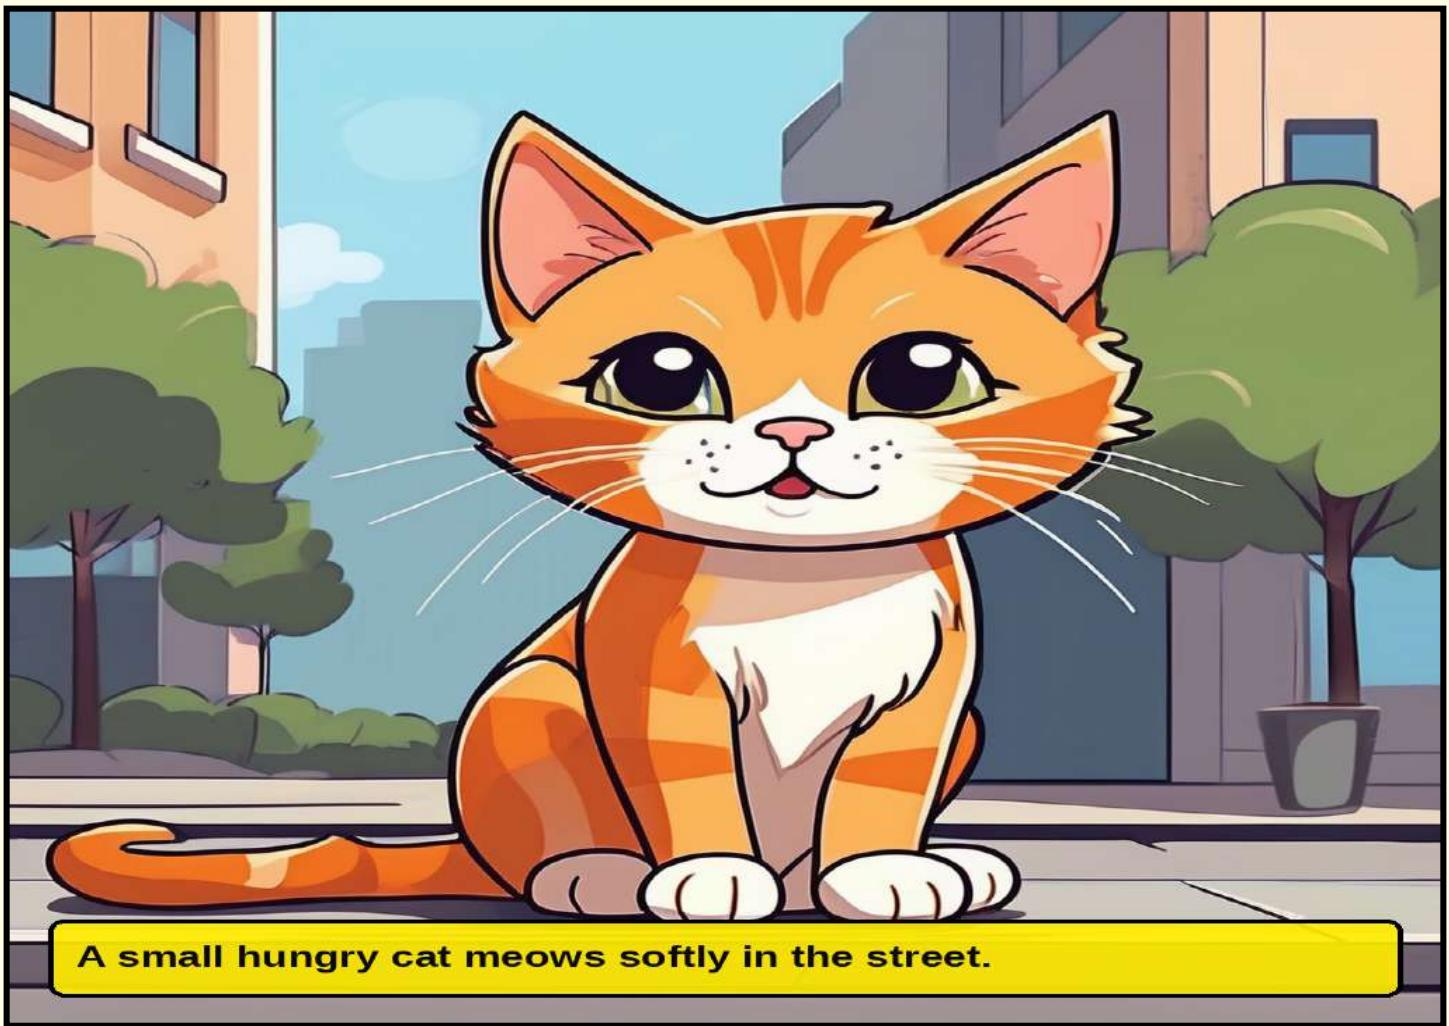

Girl:
Thank you Zain!

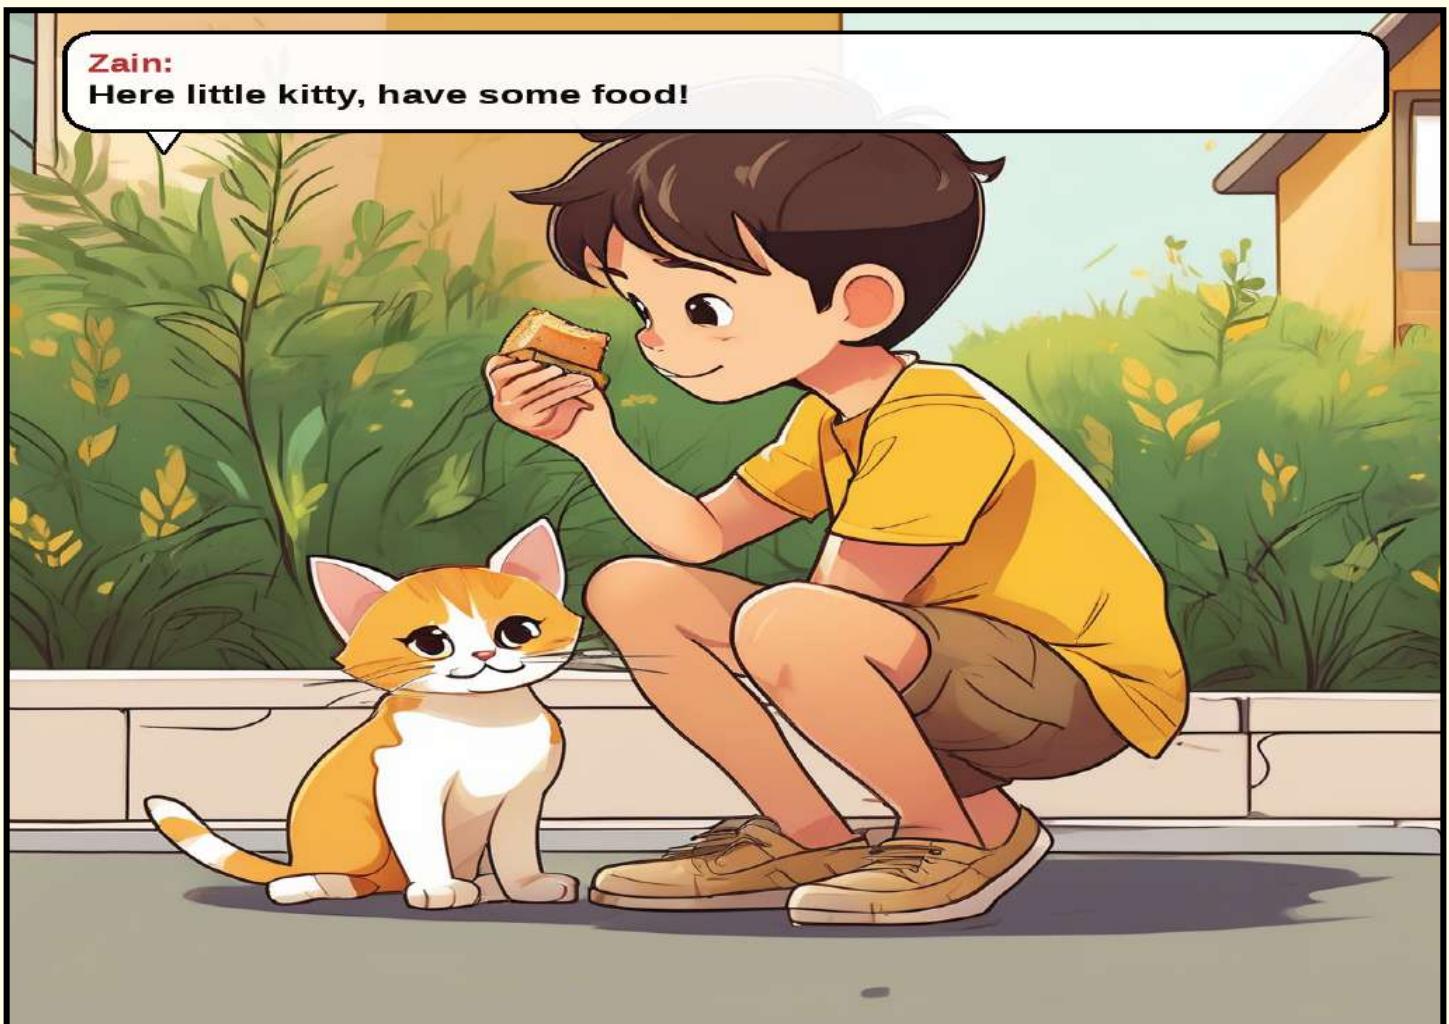

At school, a boy sits alone at lunch.

Zain:
Come sit with us!

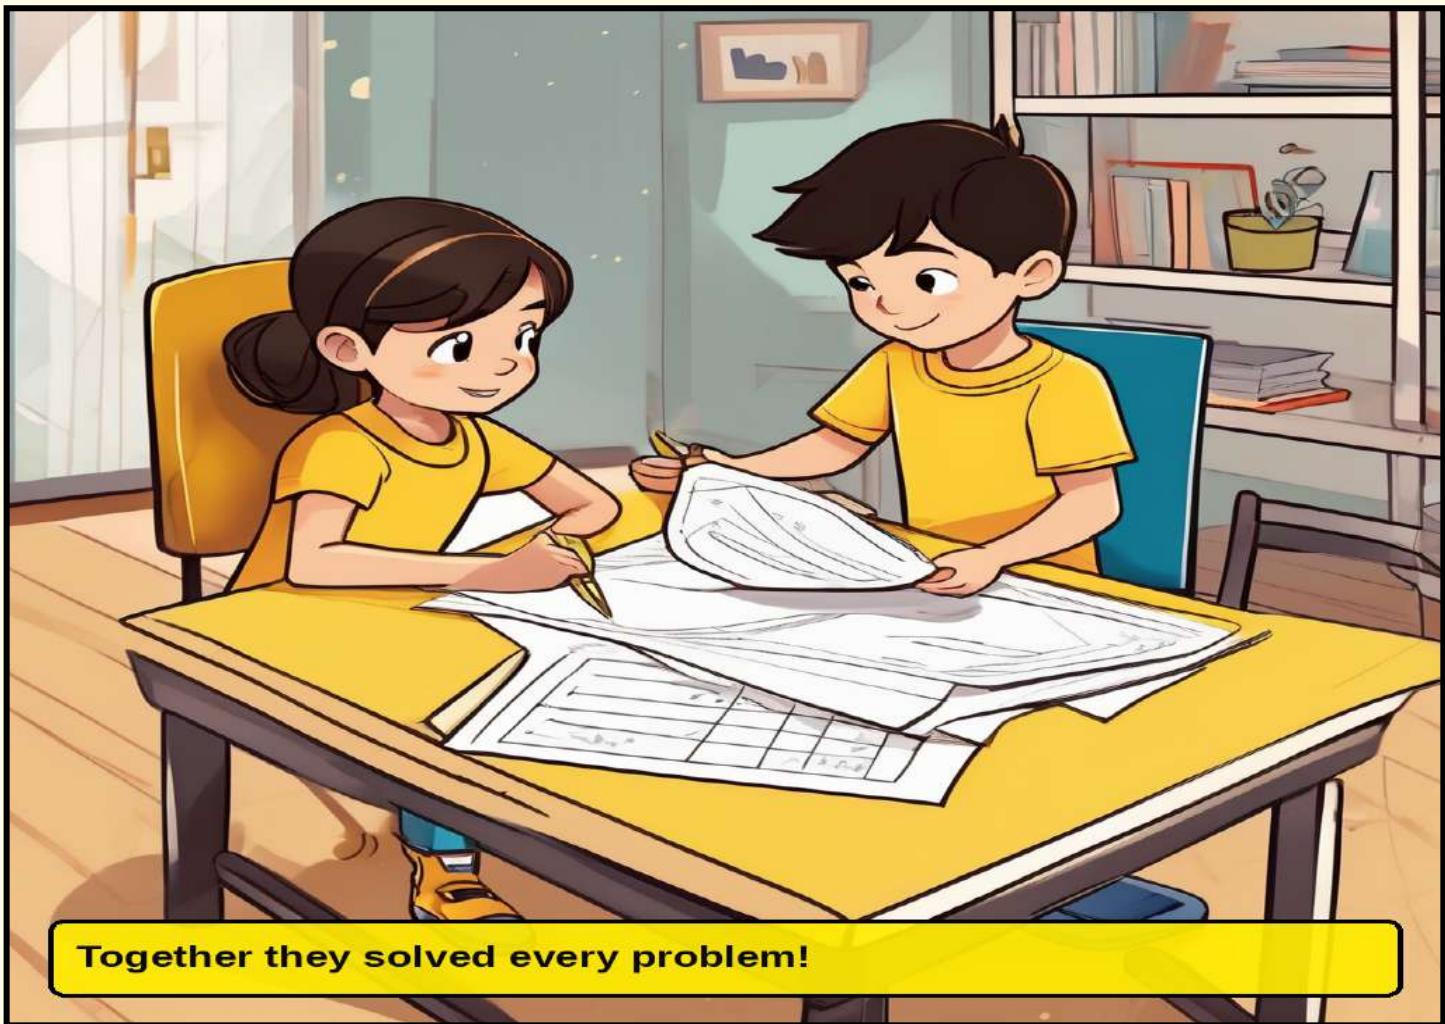

A small hungry cat meows softly in the street.

Sister:
This math is too hard!

Zain:
Let me help you.

Together they solved every problem!

Zain:

I don't need magic to be a hero. Kindness is my Superpower!
